

## Historical Society Visitation and Cleaning Protocols

- Face covering required by all upon entry to the building.
- Hand sanitizer use requested upon entry.
- Increased emphasis on touch-free payment options
- More digital and virtual experiences for patrons are available ([www.hsccnh.org](http://www.hsccnh.org)).
- Advanced reservations for visits to the museum, store and/or research library required (Call 603-352-1895 or email [hsc@hsccnh.org](mailto:hsc@hsccnh.org)).
- Interactive components of exhibits are closed.
- Hand sanitizer stations available at entrances, outside library, main office and exhibit hall.
- High touch areas sanitized between use by different individuals. (Door, desk, and cabinet handles, phones, pens, keyboards, light switches, faucet handles, copiers).  
Towels and disinfectant are available throughout the building for this purpose.
- Sanitization of high touch areas listed above performed by staff daily throughout building.
- All patrons, employees and volunteers who are ill should stay home.
- All patrons, employees and volunteers with an elevated/high risk should continue to shelter at home.

Your safety and health is our greatest concern. Please adhere to the protocols listed above. Thank you.
