HOW TO PIZZA NIGHT

The thought of having a summer go by without pizza night was just too much for us to bear. Just as unbearable, though, is the thought of putting our community at risk. To say we've landed on the perfect solution would be an overstatement, so let's just say, **we have an idea.**

We decided to make the pizzas for you.

US Wood-fired cheese, vegetarian and meat pizzas, salad and desserts. Gluten free crusts available.

YOU Pre-order & pre-pay online for pick-up or picnic out. Bring your own picnic blanket, drinks, cups, plates & utensils.
We ask that you please carry-in, carry-out & leave your dog at home.
